ANNOTATION TOOLS IN GOOGLE CLASSROOM

SPEAKER: PUAN SITI ROZANAE ISMAIL

“I see this program not as a webinar but rather as a tutorial. So I would like to suggest that the organizers to record the program earlier and make the tutorial video more interesting. then upload to Youtube. so it will be more organized and the tutor will be more prepared. Questions can also be asked in the comments section. This way, UiTM can also generate income.” - Ferri Bin Nasrul

ANNOTATION TOOLS IN MICROSOFT OFFICE & ACROBAT READER

SPEAKER: PUAN NORIDAH ABU BAKAR

“Simple topic, but very useful. These sort of info should be provided from time to time. Hope all these ODL webinar series compiled for staff to refer again in future and distributed to all. Well done organizers.” - Zubaidah Binti Mohd Ali Tan

SUGGESTIONS FOR IMPROVEMENT

SUGGESTIONS FOR IMPROVEMENT

'HANDS ON'

Allocate time for 'hands on' activities to make it easier for participants to understand the content of the webinar..

PLATFORM

Used other alternative platform to make it easier for all participants to ask questions directly to the speakers.

WEBINAR BERKALA TECHNICAL PROBLEM

Participants hope that webinar like this can be held periodically such as weekly or monthly because it is very useful for Teaching & Learning applications.

Ensure that technical problems can be reduced to facilitate the smoothness of the webinar.
